WHO WE ARE:

We are City Scholars® Foundation, a small yet growing philanthropic organization founded in 1993. **We believe every child deserves a quality education regardless of their zip code or family income.** In high-poverty, under-resourced communities, education nonprofits play a critical role helping youth succeed both in and out of the classroom. That's why we're passionately committed to helping education nonprofits thrive.

WHAT WE DO:

To survive and thrive, quality education nonprofits depend upon resourceful, resilient and collaborative leaders who need more than heart to keep the lights on and the doors open. Because education counts and leadership matters, we partner with executive volunteer donors, corporate and foundation partners and other leadership donors to sponsor the **City Scholars® Fellowship for Education.**

As a collaborative, tuition-free leadership and capacity building institute, our Fellowship for Education invests in and partners with a diverse community of highly-motivated nonprofit CEOs (distinguished as City Scholars® Foundation Fellows) to grow out-of-school time and school-based education nonprofits (currently 21) from survival to success to significance. Together, our Foundation Fellows and the education nonprofits they lead help over 56,000 low-income, high-potential youth each year throughout the five-county Greater Los Angeles region succeed in school, at work and in life. Be inspired at www.cityscholars.org.
